Hi Adam.

Got your message and yes, I remember you - after all you were one of the few non-angry faces at that Lyndhurst meeting. Fun times! Sorry I forgot to change my VM to let people know I'm working from home today. Anyway, attached is the EE/CA Approval Memo. Hope that helps!

EPA did not issue an approval of the Phase 2 EE/CA WP. Due to resource issues with getting that phase started while Phase 1 was still ongoing and since the FFS for the 8-mile action hadn't been weighed in on by the various stakeholders yet (the way we intended to get feedback on the CAD), we decided to hold off on providing our comments and finalizing that document. And although Phase 1 is now complete and some of the stakeholders have weighed in on the CAD, it is still sitting in limbo and I don't have any guesses as to when it might finally come out of limbo, unfortunately. So I can't help you with that one, other than to say it has happened yet.

I hope all is well.

Take care,

Elizabeth

Subject: Phase II Approval

Hi Liz. I left you a voicemail earlier today, but wanted to follow up with an additional question. Did the EPA ever issue Approval of the Phase II EE/CA Work Plan that was submitted by Tierra in 2009? If so, where can I find a copy of that written approval? Also, as per my voicemail, I cannot seem to find the 6/12/08 EE/CA Approval Memorandum. Can you point me in the right direction? Thanks for any help you can provide.

Regards,

Adam
